

OVERVIEW:

Congratulations for signing up with FSBO Home Bargains-the #1 source for quality For Sale By Owner leads! By now you should have received a welcome email with your first list of FSBO properties.

Why are FSBO property leads so valuable? *“FSBOs typically sell for less than the selling price of other homes; FSBO homes sold at a median of \$200,000 last year ... and significantly lower than the median of agent-assisted homes at \$264,900.”* That is approximately 25% LESS than a property listed with an agent.
